BUILDING TESTING AND RESEARCH INSTITUTE

Studená 3, 821 04 Bratislava, Slovenská republika

IČO: 31821987

**SK CERTIFICATE
of constancy of performance of the essential characteristics
of the construction product**

SK04 – ZSV – 3362

In compliance with the Act No. 133/2013 Coll. on Construction Products and on Amendments to Certain Laws as amended, this certificate applies to the construction product

**Fiberglass based composite reinforcement for concrete reinforcement
ALPINA GRATE composite bar reinforcement**

Diameters: 3 mm, 4 mm, 6 mm, 8 mm, 10 mm, 12 mm, 14 mm, 16 mm, 18 mm and 20 mm is used for reinforcing concrete structures. It is used in those parts of buildings that are exposed to an increased risk of corrosion, in structures with requirements for protection against electromagnetic influences and in structures where cutting the reinforced structure is considered. It is not suitable for structures in which the reinforcement will be exposed to a temperature higher than 60 °C for a long time.

placed on the market under the name of

ALPINA GRATE s. r. o.
Company identification number: 52854787
Hlavná 50, 080 01 Prešov
Slovak Republic

and produced in the manufacturing plant

ALPINA GRATE s. r. o.
Stročín 122, 089 01 Stročín
Slovak Republic

This certificate attests that all provisions concerning the assessment and verification of constancy of performance of the essential characteristics of the construction product declared by the manufacturer (hereinafter referred to as „assessment of performance“) and parameters referred in SK Technical Assessment

SK TP – 24/0013

under system I+ of assessment of performance are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 13 June 2024 and will remain valid as long as will remain valid SK Technical Assessment, the construction product, the methods of assessment of performance, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the authorised product certification body.
